# A Taste of Trafford

**Fringe Festival 1-12<sup>th</sup> October 2009**  
**part of Manchester Food & Drink Festival**

**Participate for free in the festival fringe.** That's what we're calling this year's events that you would like to put on in your own venue during Manchester Food & Drink Festival. All you need to do is get your thinking cap on and come up with a creative event that will stand out and give attendees that 'special experience'. These events will be included on the Taste of Trafford and Manchester food and drink festivals web sites. You can submit up to 2 events or special offers as part of the festival fringe.

There is huge scope for the type of event that you could hold, successful ideas from previous festivals include:-

Tasting events – wine, cheese, beer, coffee...  
Chef demos either with special guest appearances or your own.  
Special festival menus

If you want to send an image to accompany your event, images up to 4mb only can be emailed to Kay at the email address overleaf.
